Dear Editor,

Mediterranean Forum of Physical and Rehabilitation Medicine (MFPRM) is pleased to endorse the Mediterranean Journal of Rheumatology (MJR) as an academic platform for sharing experience and improving quality of life and functionality of patients with rheumatic diseases in the Mediterranean region. It can also serve as an evidence-based reference for specialists in the pain management and rehabilitation.

Sincerely yours,

Prof. Dr. Gulseren Akyuz
President of Mediterranean Forum of Physical and Rehabilitation Medicine (MFPRM)
