The Public Association «Kazakh College of Rheumatology» (KCR) endorses the *Mediterranean Journal of Rheumatology* (MJR) as a valuable reference for researchers and practicing rheumatologists. KCR unites efforts of rheumatologists and allied specialists from Kazakhstan and Central Asia and aims at strengthening ties with European and other regional rheumatology organizations. *MJR* is recommended as a reference for reading, citing and a home for publishing best research and reviews of KCR members.

Chairman of KCR
